

**ThermoWorks**

# RH SPOT™

**The Everywhere Thermometer**  
Temperature and Humidity

**Large Display**

Current temp *and* humidity rotate in 5-second increments on large 1¼-inch display—range to 122°F & 100%

**Auto-Rotating Display**

Will always show right-side up even when the unit is upside-down, sideways, or any angle in between

**Hibernation**

Light-sensitive display turns off in the dark to save battery life

**Bright Backlight**

Display *and* backlight turn on automatically in the presence of light such as when a door is opened

**Max and Min Reading**

Press to see the highest and lowest temperatures *and* humidity readings for monitoring safety and comfort

**Easy to Use**

Single button for ON/OFF, backlight, and Max/Min

**Verified Accuracy**

Includes NIST-traceable calibration certificate verifying accuracy of both temperature *and* humidity sensors

**Both °F and °C Reading**

Switch between °F and °C by holding the button for five seconds

**Bright Colors**

Color variety is useful for color-coding based on location, food type, process, or just matching the decor in a room

**Long Battery Life**

Approximately 5,000 hours using a CR2032 (3V) lithium coin cell

**Strong Magnetic Base**

Can mount to ANY surface using the magnet or accompanying steel mounting plate

**Use RH SPOT to Ensure Ideal Humidity Ranges**

**Bread Proofing: 80-85%**

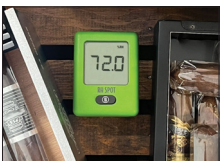

**Fridge: 30-50%**

**Wine Cellar: 50-70%**

**Cheese Cave: 75-99%**

**Humidor: 65-72%**

**Greenhouse: 50-80%**

**Gun Safe: 30-50%**

**Office: 30-60%**
