# HOW TO LOVE ME

## FABRIC NOTES

H&B uses only top-notch fabrics. Some of these are raw untreated denims which may bleed slightly in their first few wash cycles and over time will fade and patina naturally. Some aprons are not pre-shrunk and can be expected to shrink up to 1.5 inches during the first few washes.

## THE H&B LIFETIME GUARANTEE

**We stand behind everything we make.**  
**If you don't love your order, return it within 30 days.**  
**Free repair or replacement for any quality issues**  
**you experience with our apron.**

Heat or chemical damage is **NOT** included in the H&B Lifetime Guarantee. H&B will not refund/replace a product that is improperly cared for, as per the instructions provided on the care label. Custom orders (including embroideries) and worn and washed items are not returnable.
