

ThermoWorks

Thermapen[®] Blue

HACCP Bluetooth Thermometer

Water-Resistant Housing

Built to survive daily kitchen use. Molded-in seals.

Push-Button Simplicity

Scroll to item on your app, insert probe, press to capture. It's really that easy. Eliminates pencil-whipping.

Super-Fast[®] and Accurate

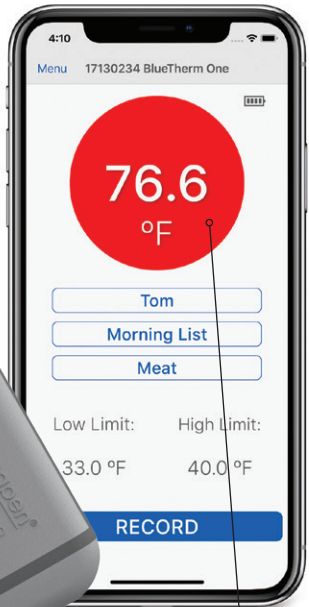

Proprietary Thermocouple technology is accurate to $\pm 0.7^{\circ}\text{F}$ ($\pm 0.4^{\circ}\text{C}$) in 2-3 seconds. Leads all competitors. Range to 572°F (300°C).

Foldaway Probe

4.3-inch stainless steel probe folds away for protection.

Bluetooth-Enabled

Same speed and performance of the Thermapen—Now with Bluetooth!

Real-time Visibility of Pass/Fail

Prompts for immediate corrective action, better accountability, and quicker response.

Long Battery Life

Up to 1,000 hours. Uses common AAA battery.

ThermoWorks

CERTIFICATE OF CALIBRATION

Calibrated by ETI Ltd for:
ThermoWorks Inc.
741 E. Utah Valley Dr.
American Fork, UT 84003

Date of Issue:
Certificate Issued By:

Tuesday, 08 October
John Doe

Connects to Most Smart Devices

Store and archive daily HACCP readings via mobile apps. Integrates with most food safety software providers.

System Accuracy

Calibrated as an integrated system. No separate meter & probe specs to combine in determining system accuracy. Includes NIST-traceable calibration certificate.
